Transaction ID :

Your letter requesting additional information (RQ-2) indicates that several of the employer and occupation entries have incomplete information. The Committee does follow the three-fold process of best efforts required to meet the Commission standards. Every solicitation includes a clear and conspicuous request for contributor information and informs the contributor of the requirements of federal law for the reporting of such information. If the information is not received, within 30 days of receipt, the contributor receives a request to provide this information. These requests are generally made by phone and email. This request restates the requirements. If the information is received by the Committee, it is updated and the affected report will be amended to reflect the new information. The Committee is aware that 'Information Requested' is not an employer or an occupation. This is the standard entry, used by most committees for years, to simply indicate that the Committee is aware that the information is missing and that it is taking the appropriate steps to obtain and report this information. The Debts for EU Services, EC Consulting, and Federal Express were entered with the expectation that these expenditures would be made. However, the services were never provided, no payment was made and the debts have been cleared.
